

## Haven for Seniors: Embracing Tanjung Bungah's Peaceful Greens, Celebrating Penang's Vibrant Community Spirit.

Located amidst the serene greenery of Tanjung Bungah, our private bungalow offers a haven for seniors. At Angsana Home, we embrace the Penangnites' concept of "Lau Juak (闹热)." This vibrant community ensures that seniors lead fulfilling lives, replete with new friendships and engaging activities.

Our daily programmes are thoughtfully crafted to enhance physical, cognitive, and social well-being, making each day purposeful, enriching, and joyous. With dedicated Care Specialists available 24/7, supported by a comprehensive team of professionals, including nurses and physiotherapists, we offer unwavering assistance with Activities of Daily Living (ADLs).

Designed for seniors who require increased support with tasks like eating, bathing, dressing, personal hygiene, and toileting, Angsana Home not only upholds seniors' independence but also delivers round-the-clock support and care. This level of support is particularly beneficial for individuals dealing with conditions such as Dementia, Alzheimer's, Cancer Care, Stroke Recovery, Comorbidities, and various other health conditions.
