

Holistic Senior Care, Supportive Community Living.

Ara Woods offers more than Assisted Living — it's a residence where seniors' lives are enriched with community living and companionship. Come and discover a community where seniors thrive, create new friendships, and lead an engaging and meaningful lifestyle. You'll be in safe hands with our attentive professional caregivers in a residence that welcomes visits from beloved family and friends.

Experience a community living that is engaging and interactive. Participate in holistic daily programmes designed to stimulate your physical, cognitive, and social well-being. Your well-being is always our top priority, overseen by dedicated professional caregivers who are supported by a team of care specialists including nurses and physiotherapists.

Our expertise extends to caring for conditions like Alzheimer's, Dementia, Parkinson's, post-surgery recovery, stroke rehabilitation, comorbidities, and other health conditions.
